LOCATION

Ashford is a Government Designated Growth Area with 20,000 additional homes planned by 2021 and the population expected to double within the next 25 years.

The town already enjoys excellent communications including the international railway station with direct links to Paris and Brussels. These links are set to improve dramatically in Autumn 2009 when the Channel Tunnel Rail Links opens, which will reduce the travelling time to London Kings Cross to 37 minutes. This train will also stop at Stratford which provides direct links to the City and Canary Wharf via the tube and DLR rail networks.

County Square is the main shopping focus in the town and is now an impressive 440,000 sq ft. The scheme is anchored by **Debenhams** and **Marks and Spencer** and includes popular stores such as **Next, River Island, New Look, H&M, Bhs** and **HMV**.

The subject kiosk is in a fantastic position in the central part of the scheme, opposite **Waterstones** and adjacent to **GZ Computers**
